## Call for Papers: Fafnir 1/2018

*Fafnir – Nordic Journal of Science Fiction and Fantasy Research* invites authors to submit papers for the upcoming edition 1/2018.

*Fafnir – Nordic Journal of Science Fiction and Fantasy Research* is a peer-reviewed academic journal which is published in electronic format two times a year. *Fafnir* is published by The Finnish Society for Science Fiction and Fantasy Research (FINFAR) from 2013 onwards. *Fafnir* publishes various texts ranging from peer-reviewed research articles to short overviews and book reviews in the field of science fiction and fantasy research.

The submissions must be original works, and written in English (or in Finnish or Scandinavian languages). Manuscripts of research articles should be between 20,000 and 40,000 characters in length. The journal uses the most recent edition of the MLA Style Manual (MLA 8). The manuscripts of research articles will be peer-reviewed. Please note that as *Fafnir* is designed to be of interest to readers with varying backgrounds, essays and other texts should be as accessibly written as possible. Also, if English is not your first language, please have your article proof-read by an English language editor. Please pay attention to our journal's submission guidelines available in: <http://journal.finfar.org/for-authors/submission-guidelines/>

The deadline for submissions is 31 March 2018.

In addition to research articles, *Fafnir* constantly welcomes text proposals such as essays, interviews, overviews and book reviews on any subject suited for the journal.

Please send your electronic submission (saved as RTF-file) to the following address: [submissions@finfar.org](mailto:submissions@finfar.org). You should get a reply indicating that we have received your submission in a few days. If not, please resubmit or contact the editors.
